This matter having come before the Court upon application of the United States Attorney by Jonathan I. Shapiro, Assistant U.S. Attorney, acting pursuant to Title 18, United States Code, Section 2703(c), requesting an Order pursuant to Title 18, United States Code, Sections 2703(c) and (d) directing service providers to disclose subscriber and other information including cell site information regarding the cellular telephone currently bearing telephone number 760-235-1969 (the "subject telephone") and subscriber and other information for persons called by the subject telephone or calling the subject telephone;

The Court finds as follows:

Accordingly, IT IS ORDERED that:

3  
3 being served and upon their request, are entitled to receive written or electronic confirmation from the  
4  
4 attorney for the United States or a representative of DEA that this Order applies to them. Refusal to  
5  
5 then comply with this Order may constitute a contempt of court;

6  
6 d. The service providers shall disclose published and non-published subscriber and  
7  
7 other information for the subject telephone and for callers to and from the subject telephone for the  
8  
8 period February 15, 2007, through March 15, 2007. The information shall include the names and  
9  
9 addresses of the subscribers and callers; local and long distance connection records (including Direct  
10  
10 Connect, push-to-talk, or other two-way communication records); length of service (including start  
11  
11 date) and types of service utilized; all subscriber or caller numbers or identities; and means and source  
12  
12 of payment for service (including any credit card or bank account number);

13  
13 e. The service providers and their agents and employees shall not disclose to the
